## Detailed Itinerary

**Please Note:** Please note that, although rare, departure times are subject to change.

### Day 1 - Thursday

The trip departs Florence from the Santa Maria Novella train station. The meeting point is Reale Firenze to the right of the S.M.N Train station. Please meet your trip leader 30 minutes prior to departure. Travel to Interlaken is by private luxury coach with A/C, DVD, and toilet. We make one 45 minute stop. We play DVDs through the duration of the trip. Upon arrival in Interlaken, we will immediately check into our accommodation.

### Days 2 & 3 - Friday and Saturday

Your personal schedule for the weekend will be based on the activities you choose to do. Activities include Skydiving, Paragliding, Hang Gliding, Ropes Courses, Canyoning, Bungee Jumping, Hiking, plus loads, loads more. Some activities are weather permitting so plan accordingly. Consult your Bus2alps Trip Leader, Hostel Staff or City Guide for recommendations and weather updates.

### Day 4 - Sunday

Sunday morning we will depart for Lake Como and upon arrival you will have about 2.5 hours of free time to explore, take photos and have lunch. We will depart from Lake Como to head back to Florence.

## Optional Activities

**\*\*Bus2alps guests get 5% off most extreme activities.\*\***

**Skydiving:** Freefall for 45 seconds over the beautiful Swiss Alps from 13,000 feet up. Video and photos available at additional cost.

**Paragliding:** Suspend yourself well above the Swiss countryside, held on only by a parachute and your experienced guide helping you steer.

**Canyoning:** Make your way through 1 of 4 canyons of varying difficulty by repelling down cliffs, free-flowing down natural water slides, and jumping off 8-30 foot ledges.

**Hangliding:** With an instructor glide over the beautiful town of Interlaken with unmatched views!

**Bungy Jumping:** Bungy 140 meters (460 feet) into a glacial canyon in the heart of the Swiss Alps.

**Ropes Course:** The high ropes course provides an adventure for all skill levels, with six tracks of various difficulties for a fun adventure through nature's playground.
