Detailed Itinerary

Please Note: For accurate departure times, travel times, prices of activities, and suggestions on how much extra money you will need, please contact info@bus2alps.com.

Day 1 - Thursday

The trip departs Naples Airport Thursday evening at 10:30 pm. Please check in with your trip leader 30 minutes prior to departure. Travel to the Amalfi Coast is by private, luxury coach bus with A/C & DVD. Upon arrival to the Amalfi Coast, we will check into our accommodation.

Day 2 - Friday

Friday morning, we depart for the port where we board the ferry and set sail for the Island of Capri. Upon arrival, we begin our private island tour. First stop is the Blue Grotto. If you want to enter the cave, you will be transferred directly from our boat into small row boats that will bring you into the grotto (weather permitting, price not included). We will then continue around the island to check out more sights finishing at Marina Grande. Your trip leader will then walk you up to Capri Town. When in Capri town you will have time to explore the main Piazza, with the gorgeous view of the Marina Grande bay, while enjoying a fresh squeezed orange granita. The best is yet to come though!

Our private transport will then bring us further up to Anacapri, the highest part of the island, where we will be welcomed with a free sample of chocolate and limoncello at Carlo's Sandal Shop. You will be able to see Salvatore, one of the original Sandal makers, at work. You will have the remainder of the afternoon free. Riding the chairlift to the top of Mt. Solaro to get a breathtaking 360 degree view of the island is a must, as well as grabbing a unique pair of custom-made sandals before enjoying an authentic lunch at a local restaurant! You also have the option of checking out the rest of the island or hanging out on the beach down by Marina Grande. The ferry departs from Marina Grande later that day.

Friday night, we organize optional dinners in downtown Sorrento at excellent restaurants with extensive menus of local specialties at great prices. Afterwards, we can head to the English Inn, an outdoor beer garden with drink specials for Bus2alps members.

Day 3 - Saturday

Saturday morning, we depart by private boat cruise to Positano. The boat cruise is equipped with a bar to purchase beverages. Your guides will take music requests all morning long. The private boat cruise will have a swim stop before arriving in colorful Positano for the afternoon.

You will then spend the afternoon relaxing on the beach, swimming in the sparkling blue waters, and browsing the many shops of Positano, a town known for its ceramics and lace! It is also possible to rent a boat, kayaks, or stand-up paddleboards while there (availability based on the season & weather). Late in the afternoon, our private boat will take you back to your accommodation in Sorrento..

Saturday night you have free to yourself to either kick back at your accommodation or head into Sorrento.

Day 4 - Sunday

Sunday morning, we eat breakfast, and depart for Pompeii. Bus2alps has an optional 1 hour guided tour of the ruins (price not included). The guides do an amazing job of painting an excellent picture of life in Pompeii during the Roman era in a fun and relatable way. The guided tour is highly recommended. You can also enter without a guide and see the ruins on your own. After we suggest eating at our favorite spot, Pompeii Pizza, for a delicious brick oven cooked pizza at a great price. We depart Pompeii in the afternoon to return to Naples.

Included Activities

Capri Ferry and Island Tour: We take a ferry to the island of Capri. Once we arrive to Capri, our private boats take us on a tour around the island, stopping at the Blue Grotto (entrance not included), and other sites, including Marina Grande, Faraglioni, White Grotto and Green Grotto.
