Detailed Itinerary

The trip departs Barcelona from the Placa Catalunya outside the Hard Rock Cafe at 13:00*. Please meet your trip leader 20 minutes prior to departure. Travel to Las Fallas in Valencia is by private, luxury coach bus. Estimated travel time to Valencia is 4.5 hours**.

We will arrive in Valencia at approximately 17:30*. Your trip leader will show you the way to where the parade will be and then the night is yours to explore the city and enjoy the festivities. The festival begins at 19:00 with the 'Procession of Fire.' After the parade, you will have plenty of time before the major statues are ignited to grab some paella or get a preview of the insanity by checking out the mini-statues intended to entertain the children to be set ablaze. 'La Crema' (the burning) begins at midnight. At this time you will want to be near any of the major statues. This will ensure you experience the insanity as all the statues in the city are ignited, and Valencia is gripped by a wild party.

We depart Valencia at 2:30* for Barcelona. Please be at the meeting point twenty minutes prior to departure. Estimated drive time to Barcelona is 4.5 hours**. We will return back from the madness to Placa Catalunya in Barcelona at approximately 7:00*.

* All departure/arrival times are subject to change due to weather and seasonal availability. You will be informed 24 hours prior about any changes.

** Drive times are all estimated and are subject to change due to road conditions and traffic.
