Detailed Itinerary

Day 1

The trip meets in London at the St. Christopher's Village, London Bridge Hostel anytime after 16:00. Your Bus2alps guide will be at the hostel to help check you in between 16:00 and 22:00. Luggage storage will be available for those of you arriving before 16:00. For those of you arriving after 22:00, you can check in at the reception desk and pick up your Bus2alps Welcome Package there.

Day 2

After breakfast on Friday morning, we set out on a private walking tour of the city with Sandeman's New London Walking Tours. Our 2.5 hour tour will cover Buckingham Palace, Westminster Abbey, Big Ben, Hyde Park Corner, The Houses of Parliament and other highlights. After the tour you will have the option to go further in depth with one of the many New Europe Guided Tours throughout the city, or to utilize a London hop on, hop off service.

If you aren't attending the concert Friday night, we take you out on the town on the New Europe Pub Crawl, London's biggest and best pub crawl. We'll hit five different spots including local bars and dance clubs with free entrance at every venue and discounted drink specials throughout the night.

Day 3

Saturday morning your Bus2alps trip leader will take you across town to Portobello Road, home to one of the most famous street markets in the world. Here you'll find unique fashions, antique merchandise, delicious food, and more. After scoping out the vibrant Portobello Market, the day is yours to explore the rest of the trendy Notting Hill area and all of London.

For those of you attending the Above & Beyond concert on Saturday night, your trip leader will direct you to the venue. If you are not attending the concert, the night is free for you to explore the various bars, clubs, and shows of Amsterdam, and your trip leader will be happy to direct you to various options.

If you are not attending the concert on Saturday night, Bus2alps recommends heading over to Camden to explore the neighborhood's alternative nightlife scene. For those of you that would rather lay low, check out the hostel nightclub or unwind in the 'chill out room' which also doubles as a comedy club.
