## Day 1

The trip departs Prague from Hlavni Nadrazi main train station Friday morning. The meeting point is inside the main entrance off of Wilsonova Rd. near the bus departure point. Please meet your trip leader at least 20 minutes prior to departure. Travel to Munich is by private luxury coach with A/C, DVD, and bathroom. We play DVDs through the duration of the trip. We make one 45 minute stop. Upon arrival in Munich, we will check into our accommodation.

On Friday morning after breakfast guides will be leading groups to the city center of Marienplatz. Before you leave, buy your traditional dirndl or lederhosen at the campsite for the weekend! Bus2alps Trip Leaders will also begin heading over to the festival grounds as the tents open. There are two beer tents, the Augustiner and Hippodrom, which feature live music, traditional bavarian food and steins of beer. We recommend arriving to the festival grounds prior to tents opening to ensure a spot in a tent as entrance to the beer tents are on a first come first serve basis.

If you choose to explore Munich, the day is free to head out to some of Munich's museums and attractions like the Dachau Memorial, Olympic Park and BMW World (situated next to each other), the amazing Deutsches Museum or to the Theresienwiese, the site of Springfest. You can speak with your Trip Leader to plan your day accordingly. The festival tents close for the night at 23:00. If you choose to not attend the festival, you can check out Munich's famous beer halls, bars and great nightclubs! A great after festival club spot to check out is Kultfabrik that has over 40 bars and clubs in a converted warehouse area.

Friday also offers the optional bike tour of Munich.\* You must pre-book to reserve a spot as there is limited space. Meet your trip leader at the meeting point they will designate during the weekend for the bike tour.\* The Munich Bike tour is the best way to see all of Munich and the international guides leading the tour are some of the best in Europe. This easy, flat bike tour takes in all the historical and cultural landmarks in central Munich while providing a fantastic Bavarian history lesson. There will be a stop for lunch at The Chinese Tower in The English Garden (weather dependent). The bike tour lasts approximately 3 hours. Since the bike tour will end near the city center it is also a great time to purchase lederhosen or dirndls.

\*Limited spots available. Please note that the bike tour may be offered either Friday and/or Saturday and times may vary based on the weekend. Your Trip Leader will inform you in advance of the exact days, times and meeting location.

## Day 2

If you are interested in taking a day trip to Neuschwanstein Castle\*, you have the opportunity to pre-book a guided tour through Sandemans New Europe, available on our website. Located in the heart of the Bavarian Alps, this beautiful castle became Walt Disney's inspiration for Sleeping Beauty's Castle. This tour is an additional cost- please check with your tour leader for details.

\*Departure time subject to change, please check with your tour leader.

For those not joining the castle tour who wish to return to the festival, this is the most popular day for the locals! Bus2alps will have a group leaving after breakfast from the hostels in the morning to head to the festival. It is likely tables will be reserved by locals in the afternoon so it is important to get there early if you would like a table. If you arrive late and are not able to enter the tents, it is recommended to grab a spot in the outside beer garden until they start allowing more people to enter the tent. For those of you looking for a good meal away from the festival atmosphere, your Bus2alps guides will be happy to suggest local venues and beer halls for an authentic Bavarian meal.

If you choose to not attend the festival, Saturday is free to explore Munich at your leisure, lounging in one of Munich's beautiful parks or checking out sites like Dachau, the Deutsches Museum, Olympic Park, or BMW World.

The beer tents turn into a party in themselves at night featuring live performances and bands. The festival closes for the night at 23:00. If you choose to not attend the festival in the evening, you can check out Munich's famous beer halls in the city center and great nightclubs.

### Day 3

Sunday morning is yours to explore Munich, or to head back for one more day of partying at the Theresienwiese before departure back to Italy. Sunday at the festival is more subdued and obtaining entrance into the beer tents is easier. There is enough time if you wake up early to check out any of Munich's great museums.

Your Bus2alps trip leaders will be organizing times early on Sunday morning to go to Dachau Concentration Camp. Entrance to Dachau is free as it is now a memorial site for those who lost their lives at the camp, which was the first concentration camp in Germany.

Check out is at 10:00 am. You will need to return your room keys and store your luggage in the tent until departure. Please meet in the Bus2alps tent at the designated departure time. We make one 45 minute stop for dinner.
